Join the Nob Hill Business Association today!

It's wonderful to live and work in the Nob Hill neighborhood – encompassing Northwest Portland's premier retail and residential district. The Nob Hill Business Association (NHBA) is the balanced and effective voice of small business owners, large employers, and professionals who live, work and prosper in Nob Hill.

NHBA is the area's oldest established association dedicated to building, preserving and promoting Nob Hill's diverse and vibrant businesses. We understand the concerns of small business owners and entrepreneurs. We know the special joys and unique challenges of running a small business, and we work on your behalf.
